### ‘Seasons of Experience’

Mollies is celebrating all year long and will reflect and use the 5 c’s that epitomize Relais & Chateaux - Courtesy, Charm, Character, Calm and Cuisine - to bring you events that allow you to experience these.

We center our events on Mollies’ trademark of live classical music performances and opera, with hosted dinners and personal indulgence packages in conjunction with key partnerships for the year:

- Art & Culture in association with the Auckland Opera Studio
- Kemp Rare Wines Gastronomy & Wine Series
- Indulge & Pamper Me with MODS Ponsonby

There is an event each month through the year. If you would like to enquire further or book, email us and we will respond to you within 24 hours. Early reservations are recommended to avoid disappointment. If you would like to use these types of events for group bookings please email [joanna@mollies.co.nz](mailto:joanna@mollies.co.nz)
